Who are the Curry Ridge Riders, Inc? We are a non-profit club supporting snowmobilers interested in more places to ride and better access to those places, in the South Denali Area.

What are our Goals? To promote snowmobiling, with the primary focus being pleasure, recreation, safety and education. To work for fair and equitable laws and regulations for snowmobile access in the South Denali Area. To promote development of snowmobile trails, trailheads, parking and other related infrastructure. To promote "safety first" and cooperation among all winter sports groups.

Why Join? To help protect and enhance your snowmobiling rights and access in the South Denali Area! We have already lost access to state and federal lands and there is growing pressure to close even more land now open to snowmobiling. We have recognition and people listen to us! Please join now and get involved with planning to protect the future of snowmobiling in the South Denali Area.

Membership: Membership runs from September 1 - August 31. Membership for dues received between 3/29 & 9/1 will be extended to expire 8/31 of the following year.

ASSA Membership: As a CRR member, you may also join the Alaska State Snowmobile Association at a reduced rate, by checking the space and adding \$10.00 to your membership dues. Membership with ASSA is not required but it is a great way to support another organization working on our behalf.
